PROFESSIONAL SUMMARY

Commercial and product strategy leader with 6+ years across AI, MarTech, fundraising, and growth, using AI to shape product direction, decision-making, and execution. Currently serving as Chief Strategy Officer at WASK, an AI AdTech platform serving 7,000+ subscribers in 130+ countries, partnering with leadership and product teams on AI feature planning and company direction. Founded and scaled a consumer gaming platform to a \$5M valuation and raised \$525K in funding. UK Global Talent Visa holder (Digital Technology) with unrestricted right to work.

CORE COMPETENCIES

AI Product Strategy | Business Development & Partnerships | SaaS Growth Strategy | Product Vision & Roadmapping | Fundraising & Investor Relations | Go-to-Market & Market Analysis | Cross-Functional Team Leadership | AdTech & MarTech | AI Workflow Adoption | Digital Advertising Strategy | CRM & Automation | International Expansion

PROFESSIONAL EXPERIENCE

Chief Strategy Officer & Head of Business Development

May 2024 – Present

WASK Inc. (AI AdTech SaaS)

Delaware, US

- Spearheaded commercial and strategic direction for an AI-powered advertising automation platform with **\$2.1M ARR**, **85% gross margins**, and a **4.8x LTV/CAC ratio** across 130+ countries.
- Directed a cross-functional business development team of 6, helping deliver a **20.2% year-on-year increase** in active paying subscribers while partnering with leadership and product teams on AI feature planning.
- Led end-to-end planning and launch of a major product version that reduced churn rate by **11%** and churned revenue by **82%** within 12 months.
- Cultivated and managed 10+ strategic partnerships with VCs, technology partners, and channel distributors, supporting fundraising traction, market credibility, and go-to-market expansion.
- Drove a fundraising process that secured **\$1M+**, managing investor due diligence, financial modelling, and pitch preparation.
- Led cross-team restructuring initiatives and AI-assisted workflow improvements to scale operations, speed execution, and support sustainable growth.

Founder & Chief Executive Officer

June 2021 – May 2024

njoyKidz

Istanbul, Turkey

- Built an ad-free, child-safe mobile gaming platform from concept to launch, achieving **500K+ organic downloads** across 30+ educational apps.
- Secured **\$525,000 in total funding** and achieved a peak valuation of **\$5 million** through investor pitches and grant applications.
- Managed a team of 20 across product, engineering, design, and marketing, overseeing full product lifecycle from ideation to release.
- Established IP licensing partnerships (Anibera Studio) and local stakeholder alliances to drive international growth and brand visibility.
- Defined product roadmap, prioritised features, and ran data-led user acquisition experiments that drove sustained organic growth without paid spend.

Business Development Specialist

Feb 2020 – Jan 2021

Uraz Patent

Izmir, Turkey

- Supported trademark, patent, and design registration services for domestic and international clients.
